Tantra is a weaving of romantic and erotic arts that connect spirituality and sexuality. Experience a deeply embodied & soulful exploration of presence, all held in a container of boundaries, respect and unconditional love.

### **A clothes-on way of exploring deep presence.**

- Expand your capacity for intimacy and erotic pleasure
- Explore open hearted, sacred interactions
- Experience the joy of being seen in your divine essence
- Learn energy-moving breath work that prepares you for full body orgasm
- Develop erotic ways to communicate your needs that increase presence

**Tantra for Gay, Bi & Queer Men** is an opportunity for heart-centered men to learn these ancient practices. We'll practice with many different partners, though couples can choose to stay together. Saturday evening is a Puja, a heart-filled ritual, that celebrates our connections. Sunday offers more advanced training with a deep heart circle.

**\$260 per person**, for dorm style lodging: **\$285 after March 31.**

**\$295 per person**, for bunk style or private cabin room: **\$320 after March 31.**
